Any health conditions that we should be aware of:	

Dear Parent,

Your details will be held on a database but will not be forwarded to any other party.

Fencing is a safe sport and we do our best to keep it that way. While on the course your child will be supervised by a qualified coach. He/she will be instructed in safety and be shown how to use the protective clothing provided and how to avoid injuries. If the coach feels at any time that a pupil is a danger to himself/herself or to others then they will be required to leave the course.

Bath Sword Club takes its duty of care seriously and we want your child to be safe with us. The committee, coaches and helpers have been vetted by the CRB. The contact details of our Welfare Officer is published on the website and we encourage you to raise any issues with the committee through her.

Classes are limited to a maximum of 14 fencers. If the class is full you will be offered a place on the next course.

I agree to the conditions of the course.

I enclose a cheque payable to Bath Sword Club for **£55**
